academic books.

The Butterfly Lion Michael Morpurgo

Following in the same vein as the hugely successful War Horse and The Dancing Bear, Michael Morpurgo's The Butterfly Lion has the theme of friendship running through its narrative. But instead of a friendship between two people, much like his earlier works, The Butterfly Lion focuses largely on the friendship between a boy and an animal.

The Butterfly Lion by Michael Morpurgo - Goodreads

It was my first Michael Morpurgo book to read on my own. When I started reading Butterfly Lion it was quite confusing, I found it a bit difficult to follow. It was fine once I got my head around the storyline. I liked the way it told every characters story. It was also quite mysterious.
