Over the years social programmes were dismantled, resources drained away by outsiders and the infrastructure fall into foreign ownership. The situation far exceeded the "branch plant" economy often bemoaned of here in Canada. Dissatisfaction on many levels brought a change in government. That turnover heralded a disavowal of Globalism's tenets.

The Collapse of Globalism: And the Reinvention of the ...

The Collapse of Globalism follows globalization from its promising beginnings in the 1970s through to the increasing deregulation in industry, and into the 1990s, when regional economic collapses and concern for the environment and for the rights of workers led to widespread protest and disillusionment. In the wake of globalism's collapse, nationalism of the best and worst sort, Saul demonstrates, shows signs of making a remarkable, unexpected recovery.
